Do you see what I see?

A poem by Kenn Nesbitt

https://soundwiches.wordpress.com/2025/03/20/doyouseewhatisee/

I look out the **window**
and what do I see?

A **cat** with a **hat**
and a **bee** in a **tree**.

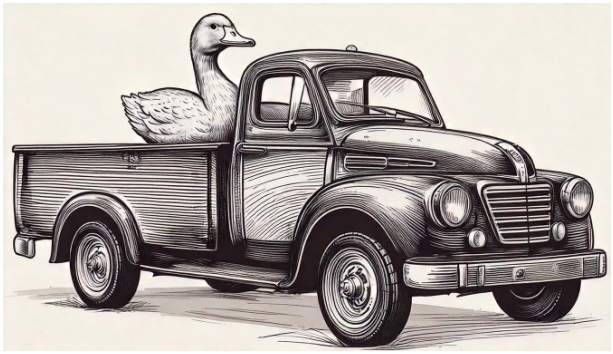
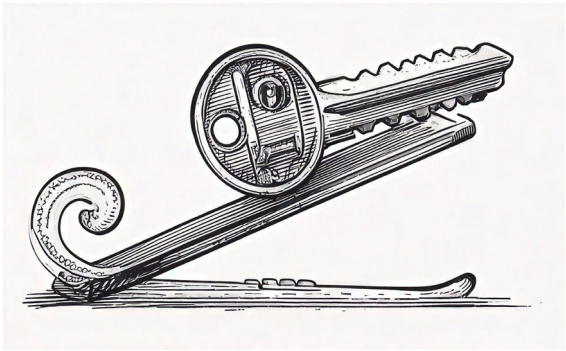
A **snake** with a **cake**
and some **clocks** in a **box**.

A **crab** in a **cab**
and a **fox** wearing **socks**.





A **duck** in a **truck**
and a **key** on a **ski**.

When you **look outside**, tell me…
What do you see?
